On-line submission of application(s) for admission to B.Sc. (Honours) Courses 2017-18

Selection Procedure For B.Sc (Honours) Courses

Admission be made strictly according to the marks obtained in the Higher Secondary or equivalent examination. There will be no Admission Test.

Incomplete application in any respect will be summarily rejected.

Merit lists of the candidates to be called for interview for Honours in Physics, Chemistry, Mathematics, Geological Sciences and Geography will be prepared as follows. Subject weightage to the candidates opting for Honours in Physics, Chemistry, Mathematics will be given as follows:

For PHYSICS	Chemistry, Physics, Mathematics (300 marks) + Physics (100 marks): (Score out of 400)
For CHEMISTRY	Chemistry, Physics, Mathematics (300 marks) + Chemistry (100 marks) : (Score out of 400)
For MATHEMATICS	Chemistry, Physics, Mathematics (300 marks) + Mathematics (100 marks) : (Score out of 400)
For GEOLOGICAL SCIENCES	Chemistry, Physics, Mathematics (300 marks) : (Score out of 300)
For GEOGRAPHY	Mathematics and any two subjects from Chemistry/ Physics/ Geography/Geology/Economics (300 marks) : (Score out of 300)

In case of bunching of marks in the merit lists for admission of the last candidate the selection be made as per the following criteria:

For PHYSICS	In case of bunching of total marks in the merit list at first the marks of Physics at +2 level be considered. Even if there is a further bunching of marks of Physics at +2 level, the marks of Mathematics at +2 level be considered.
For CHEMISTRY	In case of bunching of total marks in the merit list at first the marks of Chemistry at +2 level be considered. Even if there is a further bunching of marks of Chemistry at +2 level, the marks of Mathematics at +2 level be considered.
For MATHEMATICS	In case of bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the marks of Physics at +2 level be considered.

For GEOLOGICAL SCIENCES	In case bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the marks of Physics at + 2 level be considered. Again if there is a bunching of marks of Physics at + 2 level the marks of Chemistry at +2 level be considered.
For GEOGRAPHY	In case bunching of total marks in the merit list the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the total marks obtained in best of 4 subjects at +2 level be considered.
