In case of bunching of marks in the merit lists for admission of the last candidate the selection be made as per the following criteria:

<b>For PHYSICS</b>	In case of bunching of total marks in the merit list at first the marks of Physics at +2 level be considered. Even if there is a further bunching of marks of Physics at +2 level, the marks of Mathematics at +2 level be considered.
<b>For CHEMISTRY</b>	In case of bunching of total marks in the merit list at first the marks of Chemistry at +2 level be considered. Even if there is a further bunching of marks of Chemistry at +2 level, the marks of Mathematics at +2 level be considered.
<b>For MATHEMATICS</b>	In case of bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the total marks

	obtained in best of 4 subjects at +2 level be considered.
<b>For GEOLOGICAL SCIENCES</b>	In case bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the marks of Physics at + 2 level be considered. Again if there is a bunching of marks of Physics at + 2 level the marks of Chemistry at +2 level be considered.
<b>For GEOGRAPHY</b>	In case bunching of total marks in the merit list the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the total marks obtained in best of 4 subjects at +2 level be considered.
